

Invitation Letter

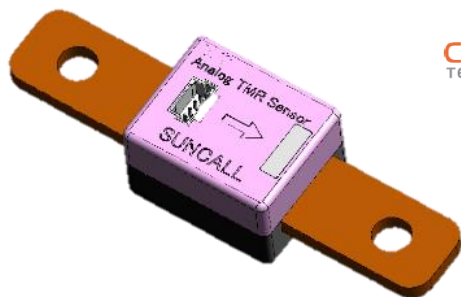

World's leading trade fair and conference for electronics
November 15-18, 2022 | Trade Fair Center Messe München

Dear valuable customers

We would like to invite you to visit our booth # **"B3-535"** at Trade Fair Center Messe Munchen Germany. <https://electronica.de/en/>

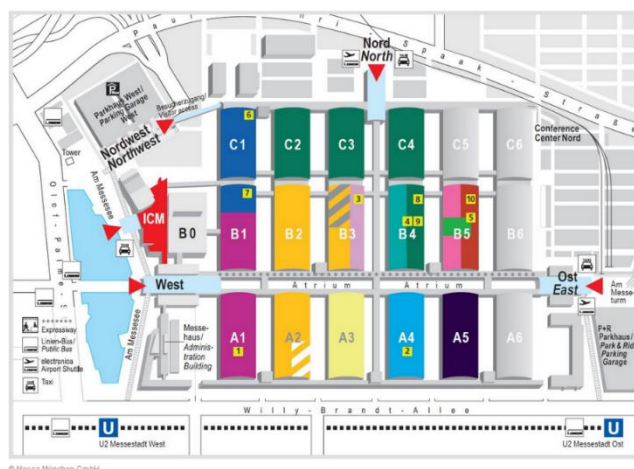

We will exhibit our newest product such as **TMR Sensor Busbar Module** that is integrated CROCUS TMR IC there.

- Accuracy $\pm 1\%$ (F.S.)
- Offset and gain are calibrated
- Built-in magnetic shield

Here is the Fairgrounds map of electronica. Booth #**"B3-535"**

*we are exhibiting at the CROCUS booth

Looking forward to seeing you at the show.
